MID - Mr. Burrows; Mr. Belton; Mr. Leddy
Amembassy Guatemala - informally
Amembassy Mexico City - informally

U. S. GOVERNMENT PRINTING OFFICE 10—61120-1

Ambassador White called me from Mexico and said that Gorostiza of the Mexican Foreign Office had told him that Mexico had decided that it would attend an OAS meeting on Guatemala and would cooperate with the United States there, but that it would not commit itself in advance to any action. I told the Ambassador that this looked like a repetition of the Caracas policy. He agreed that he would undertake to see the President on Friday or Saturday and appeal to him for support on our resolution.
